

PARENT VOLUNTEER - COACH

Do you love soccer and want to make a positive impact in your community? The Pemberton Youth Soccer Association (PYSA) is looking for parent volunteers to help coach and support our youth teams. No coaching experience? No problem! If you're enthusiastic, organized, and enjoy working with kids, we'll provide the training and support you need.

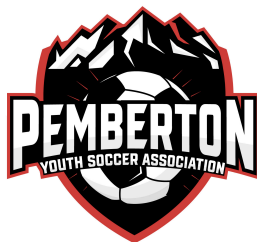

Being a volunteer coach is a fun and rewarding way to stay active, support local youth, and be part of a strong community of families - whether or not you're coaching your own child's team.

KEY RESPONSIBILITIES

- Create a fun, inclusive, and positive environment where all players feel welcome and supported
- Ensure the safety and well-being of all players
- Help support weekly practices and games, tailored to the age and skill level of your group
- Encourage teamwork, sportsmanship, and skill development
- Communicate with parents and PYSA staff as needed
- Set a great example as a positive role model both on and off the field
- Assist with field setup, including lining fields, pumping balls, goal maintenance, and ensuring storage units remain clean, tidy, and well-organized.

WHO CAN VOLUNTEER?

- Parents, guardians, and caregivers of PYSA players
- No previous coaching or teaching experience required, just a willingness to learn!
- Previous soccer experience (as a player, volunteer, referee, or coach) is an asset but not necessary
- A Vulnerable Sector Criminal Record Check is required

COMMITMENT

- 1-2 sessions per week (practice and/or game)
- Priority given to volunteers available two days a week, with majority of programs taking place on Wednesdays and Saturdays
- Seasons run in Fall (early September to late October) and Spring (early April to late June)

WHY VOLUNTEER?

- Make a meaningful impact in your child's soccer journey
- Get involved in the community and meet other families
- Learn new skills and grow your confidence as a coach
- Receive support, resources, and optional training from PYSA
